The Atlas is an **outdoor site**, so visitors must be dressed for the weather. We suggest hats, jackets, comfortable walking shoes, raingear, bug spray, etc. Groups who are planning the Tunnel Tour must come dressed in sturdy footwear, as the climb is short but steep.

We have washrooms, picnic tables, and a Gift Shop. Many visitors like to bring a little pocket money to buy a snack or souvenir after the program. The Gift Shop accepts cash and Interac.

PLEASE NOTE: The Atlas reserves the right to cancel tours in the case of extreme weather or other conditions that would make our trails or tours unsafe.
