

A Summer Job You'll Love

Join the dynamic team of guides who make the award winning **Atlas Coal Mine National Historic Site** a fun & fascinating place to visit – and work! Amaze visitors with your stellar tours. Use your unique talents to enliven each programme.

This fun summer job involves a lot of time outside in the sunny **Canadian Badlands** – as well as small dark places such as our underground tunnel!

We need positive, enthusiastic individuals with *great communication skills* and a *love of learning*.

Must be able to climb hills through rough terrain with a pack of adoring fans; stand for long periods while telling amazing but true stories; must be able to descend underground and ascend into Canada's Last Wooden Tiptle. We're looking for a self-motivated crew that knows what needs to be done. Must have at least one year post secondary education, and plan to return to school in the fall. Background in history, education, geography, ecotourism, engineering, or performing arts an asset. First-aid an asset. A valid driver's licence a must. A car is an asset as we're located 15 minutes east of Drumheller. Available positions include Heritage Interpreters and Education Officers.

Do it! We dare you!

Job Term: April 30th – Sept 3rd, 2018

Wage: \$16.50 / hour

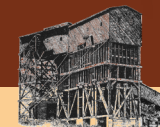

Application Deadline: March 26th, 2018

Apply via email at: curator@atlascoalmine.ab.ca

ATTN: Jay Russell
