ATLAS COAL MINE
NATIONAL HISTORIC SITE

About the Event

This year we're stringing 40,000+ lights across the Atlas' 12 acre site. The Badlands' dark skies and brilliant stars make our light show one of the best in Alberta. We'll have Santa Claus, festive treats and music to enhance your visit!

Warm up afterwards at the East Coulee School Museum, lit by candlelight, and featuring live music, treats and kids activities.

100% of the event proceeds help the Atlas Coal Mine National Historic Site and East Coulee School Museum preserve Drumheller's coal mining past.

Help make our event a success! Sponsorship is a great way to give back to the community, host a fantastic Christmas experience for staff, and be promoted at the event and on our website!

- Speak to a member of the Sponsorship Committee or send an email to info@atlascoalmine.ab.ca
