 **\$5.50 for in-class activities and onsite visit, \$3.00 for in-class activities only**

## MACHINES & MECHANISATION

## ATLAS COAL MINE NATIONAL HISTORIC SITE

# SCHOOL TOUR OFFERINGS

Hop aboard a vintage coal train and tour the surface plant and spectacular badlands scenery. This authentic mine train is pulled by an antique locomotive, formerly used in underground mines. Learn about the trains, large and small, that moved coal. Weather dependent. Due to authentic equipment, visitors with mobility issues may find loading into cars difficult.

### **Suitable for all ages.**

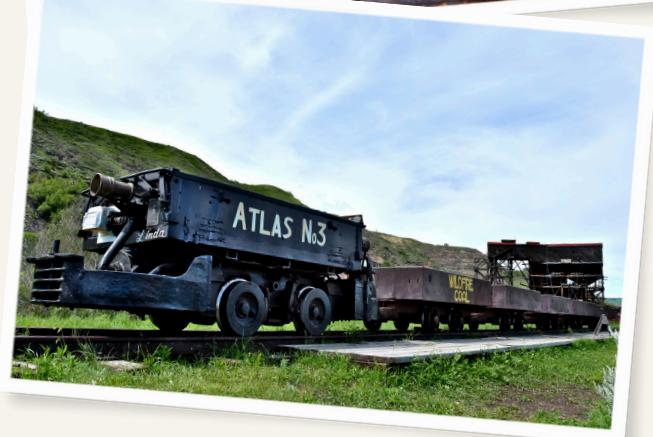

*Curriculum connections: Dynamic Communities, Immigration, Communities in the Past, Coal, Simple Machines, Electrical Technology, Mechanical Systems, Occupations, Alberta: History and People*

 **50 students and 5 chaperones max.**

 **\$7.00 per participant**

 **About 60 mins**

## JUNKYARD ARCHAEOLOGY

## ATLAS COAL MINE NATIONAL HISTORIC SITE

# SCHOOL TOUR OFFERINGS

New from 2021 – Put on a miner's helmet & cap lamp and hike 16 stories outside up to the Mine Portal – just like the original miners did! Hear the tantalizing stories of the miners who dug the black. Does a dinosaur actually haunt the portal? Water is recommended and fully enclosed footwear is **required** for this hike.

*Please Note: – This is a different and more strenuous tour than the previous Tunnel Tour.*

### For Grade 7 and up only.

Curriculum connections: Grade 7 Social Studies – 7.2  
Following Confederation: Canadian Expansions; Grade 8 unit D – Machines

 **15 students and 2 chaperones max.**

 **\$11.00 per participant**

 **90 mins minimum**
